

AACI Canadian Provincial Ambassador Application

We appreciate our Ambassadors throughout the world who have joined our Mission!

By applying to become an AACI Provincial Ambassador for Canada, this role assumes that:

- 1) You have read the pages under the “About Us” menu at www.AmericanACI.org.
- 2) You have joined us on Facebook if you have an account.
- 3) You have signed up for “The Wright Stuff” Report (under Contact Us > The Wright Stuff on the homepage). Watch for the Report in your email Inbox. When you receive it, read and forward it to those you feel may benefit!
- 4) You have purchased at least two “**Killing Cancer - Not People**” books with the second purchase as a donation to your local Public Library or reading room. A case of 26 books is heavily discounted, and enables you to resell each book at full price (\$22.95USD) and keep the difference of \$5/book, (\$130/case), if you choose. Or buy and distribute them as you wish at \$22.95 and under—or distribute for free. As subsequent books are published, your Ambassadorship requires that you purchase at least one new book to stay informed.
- 5) Provincial Ambassadors have donated a minimum suggested \$250USD one time by check and support the AACI monthly via automatic debit @\$9.95/mo. (Visit www.AmericanACI.org > Join the Mission > AACI Friends and Donors. Click on “Subscribe.”)
- 6) You have the right and responsibility of nominating other Ambassadors within the U.S., Canada and internationally. The AACI is filling two Ambassador positions per country at this time, which may increase as time passes.
- 7) You are strongly encouraged to invite people to support the AACI. When 50 people “subscribe” to our Mission on a monthly basis for at least one year @\$4.95/mo. online as a result of your efforts, three things happen: a) You receive an engraved memorial stone (text of your choice) placed into the Ambassador foundation of the American Anti-Cancer Campus. These stones represent your commitment to our Mission that will literally “pave the way” for cancer patients to receive the treatment and education they deserve with all-Natural Medicine. b) We place a photo plaque of you in the entry way of the Institute. c) The 50 supporters you obtain for the AACI will each receive a free book of their choice for supporting us for the period of at least one year. If a supporter prefers to make a one-time contribution to the AACI in the amount of \$120.00, rather than support us monthly, we will mail them a free book immediately. Each year of their continued support grants them another free book of their choice including latest editions.
- 8) If you have excellent organizational skills, you’re welcome to get a “Walk, “Run or “Race For The Campus” going in your area! Proceeds benefit the AACI. We will heavily promote the Event through social media, the blog and elsewhere.
- 9) You may host Bob Wright at a speaking engagement in your area. The AACI requests a minimum of 250 attendees, the net proceeds of which are split between you and the AACI. The host pays for travel, lodging and related expenses for Bob Wright, unless otherwise arranged. Please ask for a speaking engagement contract.
- 10) If you know someone who would fit into our Campus staff or Board, (See Mission/ Vision), invite them to visit the homepage, buy our books, and get acquainted. Introduce us! If you have a fundraising idea that’s outside the box, let us know!

In addition to the above, Provincial Ambassadors enjoy the following rewards:

- 1) Your photo with brief bio. on the AACI Provincial Ambassador page; chance to network with other Ambassadors throughout the U.S., Canada and world, and to receive international recognition by internet visitors.
- 2) The right to nominate other Ambassadors in and outside your Province.
- 3) Opportunities unique to Ambassadors will be offered as the AACI expands, which you will be apprised of via email. For example, those you recommend will be the first to be considered for staff positions within our Campus Institute, University and Wellness Clinic; the opportunity to contribute testimonials to our upcoming book series, especially our cookbook, and more. We’ll keep you posted.
- 4) The right to participate in blog and/or Facebook posts dealing with Natural Healing at the AACI’s discretion, especially as it pertains to cancer prevention and alternative treatment.

Terms of Agreement

By becoming an AACI Provincial Ambassador, your service is for the period of one year, renewable annually by January 5, with a letter of intention to: info@AmericanACI.org. In it, simply state your desire to continue in your position. A new lump sum donation is not necessary so long as you continue to support the AACI on a monthly basis.

Should you resign your post, you agree to notify the AACI at least 30 days in advance of your resignation so we may choose an Ambassador to take your place. The AACI Board reserves the right to terminate your Ambassadorship for just cause at any time by unanimous vote. As an AACI Ambassador, you agree to hold harmless the AACI, its Board and staff from any damages to you personally or to your business that may arise from your association with this organization as an Ambassador. You agree to follow the current FDA disclaimer language in conjunction with the AACI Mission and Vision. That is, in your Ambassador role, you agree to never state or imply that the AACI claims to cure cancer, or is building a Center, Campus or Clinic to cure cancer.
